

YOUR HEALTH CARE PARTNER

About Medon Pharmacy

Medon Pharmacy was founded in 2012 in Dubai. In the past 8 years, Medon has become one of leading names in retail pharmacy. With 16 outlets and counting. Our strategically located stores and our teams' constant perseverance in providing the best services has been the key to our tremendous growth and success.

We, at Medon aim at providing only the best in terms of healthcare products, medicine, cosmetics, lifestyle products and healthcare equipment. Medon Pharmacy is a one-stop-shop for all leading brands, products and services which include medicines, vitamins & supplements, sports nutrition, sun care, beauty & skin care, home health care, mother & baby care, orthopaedics & rehabilitation, personal care, alternative medicines and lots more.

About Medon Pharmacy

Medon Group constantly aims at providing the best customer experience one can get with every visit to our outlets. Our staff is always at hand to respond to any of your queries or requests. We have an extensive network of logistics and tactically located offices in Dubai and Sharjah. Our warehouse extends to over 4000 sq ft. Our warehouse Management System is error-free and its operations have been seamless right from day one.

Medon Group

Your Perfect Healthcare Partner

WHY MEDON PHARMACY?

1

Marketing

Our Exclusive Marketing Executive always at your reach. We help you in providing the best medicines in UAE.

3

Free Facials and Makeovers

An initiative offering free makeover sessions, facials and skin & hair analysis to customers who are beauty conscious, in select outlets.

2

Drug Information

Qualified staff at our facilities provide information on the proper usage of medicines, dosage, actions and interactions, time period of treatment, availability and cost, and also information on diabetes, weight loss, orthopaedic and rehabilitation products, etc.

4

Free Health Screening

All pharmacy outlets have this value added facility where customers get a free health screening for checking blood pressure and blood sugar.

Our Objective

Our objective is to serve the residents of the country with high quality healthcare, at a minimal price. We assure you with the best of healthcare products, services and experience.
